

**JOIN THE
CAUDA EQUINA
FOUNDATION &
LIGHT UP YOUR
NEIGHBORHOOD**

- Join us in remembrance of those Cauda Equina Syndrome (CES) Warriors that we have lost. For the entire month of November, we will be lighting up our homes in purple to raise awareness of CES by remembering those that we have lost along the way.
- Ask your neighbors, friends, and family to join you in lighting up purple

**PURPLE
LIGHT
FOR CES
REMEMBRANCE**

CAUDA EQUINA SYNDROME

CES is a rare spinal disease that causes a collection of neurological and systematic symptoms due to an injury to the spinal nerve roots called the cauda equina (CE).

Chronic symptoms can include*:

- **Severe** Intractable Constant Pain
- Bi-lateral sciatica
- Bladder and/or Bowel incontinence
- Leg/foot weakness and/or paralysis
- Sexual Dysfunction
- Spasticity
